About PATH Intl.

About PATH Intl. PATH Intl. was formed in 1969 as the North American Riding for the Handicapped Association to promote equine-assisted services (EAS) for individuals with special needs. Since that time, the association's work to credential professionals and accredit centers has expanded, as have the categories of individuals served EAS. Through the work of 744 member centers and more than 4,755 professionals credentialed through PATH Intl., 45,135 children and adults, including more than 5,000 veterans, find a sense of health, wellness, a sense of independence and fun through EAS. Member centers range from small, one-person programs to large operations with several credentialed instructors and licensed therapists. In addition to horseback riding, a center may offer any number of EAS such as hippotherapy, carriage driving, interactive vaulting, trail riding, competition and more. Through a wide variety of educational resources, the association helps individuals start and maintain successful programs. There are 39,317 volunteers, 5,911 equines and thousands of contributors from all over the world making a difference in people's lives.

Professional Certifications: Three levels of riding instructor certification, two levels of driving certification, one level of interactive vaulting certification, and the equine specialist in mental health certification, ensure the public that service providers have the skill and knowledge to provide safe and effective services.

Accreditation: The PATH Intl. Center Accreditation process ensures that member centers strive for the highest level of safety and proficiency.

International/Regional Conferences: The PATH Intl. Conference offers academic sessions with CEUs for instructor compliance, hands-on demonstrations at the Preconference and networking opportunities. PATH Intl. Regional Conferences offer a more intimate, local conference experience within each region for members to attend educational seminars, connect with others in their geographical region, receive updates on safety standards and share teaching ideas. The region conferences are also excellent outreach opportunities to gain new members and promote awareness of PATH Intl.

Communications: The award-winning *PATH Intl. Strides* magazine, PATH Intl. eNews, PATH Intl. Education eNews, Facebook, Twitter, Instagram and LinkedIn provide valuable education information and updates to the PATH Intl. membership and EAS enthusiasts. Additionally, pathintl.org offers an indispensable tool for communication with the PATH Intl. membership and the general public.

Industry and Association Awareness: Through partnerships, advertising, speaking engagements, attendance at tradeshow and conventions, the PATH Intl. presence is furthering awareness of EAS and most importantly educating about the vital role PATH Intl. plays in credentialing member centers and professionals. PATH Intl. has presented or had a booth at the American Psychological Association, American Academy of Family Practitioners, American Therapeutic Recreation Association (ATRA), the Air Force Wounded Warrior Programs (AFW2), CARE Fair, All-American Quarter Horse Congress and Equine Affaires in Massachusetts and Columbus, resulting in tens of thousands of individuals having an increased awareness of the industry and association.

Mentor Training: The PATH Intl. Mentor Training Workshop assists Instructors-In-Training to link with highly qualified PATH Intl. Certified Instructors to fulfill the required mentored hours for the certification process. This is accomplished by training current PATH Intl. Certified Instructors about the needs of mentees and the responsibilities of being a mentor.

Distance Education: Online courses are currently being offered along with webinars and many session recordings from PATH Intl. conferences. More online offerings are continuing to be made available.
