Is Interactive Vaulting still a relevant specialty?

Liz Adams

The group believes Interactive Vaulting is still a valuable specialty. The group discussed why the current interest is low and how candidates struggle with accessibility issues and costs. The group discussed the importance of streamlining the certification without diluting the requirements and how adding virtual components such as disabilities and safety may be an option.

Action Item Review

- Outline areas of improvement to make the vaulting certification more attainable – Liz Adams
- Create and share a Google doc for brainstorming – Melissa Neal
- Determine how many active Interactive Vaulting certification applicants currently - Melissa Neal
