Welfare Modules

Christine Rudd

Planning to submit outlines after the November Meeting. Final edits need to happen prior to the November meeting. Review the final outline to ensure that it is specifically applicable to EAS horses.

- Do any need to be split into multiple modules? - With the introductory nature of the course, we want to be more superficial across many topics rather than go too deep into all.

Committee Co- chair Update

Christine Rudd

Leanne & Ellen volunteered to co-chair for the next year.

Recruitment for EWC

Christine Rudd

Begin recruitment for new committee members. What skills do we need to recruit for (social media)? Send a paragraph that we are recruiting committee members to PATH e-News and announcements. We can also recruit individuals in our networks.

Committee Charter

Christine Rudd

Committee should have reviewed the committee charter. If not, please review prior to next month. We will finalize it at the November meeting. File location: 2023 folder/projects folder/EWC Charter.

Committee Planning for Next Year

Christine Rudd

Review the document in the 2023 Projects folder with previous ideas. Brainstorm new ideas (member connections equine welfare page? e-tips (more frequently? 1x/month, committee updates and info sharing), research documentation (available to PATH members)?, social media)

- Rain to generate a new group email for the 2024 EWC.

Next Meeting

November 13th, 2023 at 12:00 PM MST.
