# *The PATH Intl. Registered Riding Instructor Certification Overview and Application Process*

We are thrilled you are interested in pursuing the PATH Intl. Therapeutic Riding Instructor Program! A PATH Intl. Therapeutic Riding Instructor (TRI) must possess the knowledge, skills and abilities to effectively and safely teach riding skills to individuals with disabilities.

## **METHODS FOR OBTAINING REGISTERED CERTIFICATION**

---

You may obtain your PATH Intl. Registered Riding Instructor certification via one of three methods:

- 1) **Successfully complete the PATH Intl. On-Site Workshop and Certification Program (Most common method)**
- 2) Attend a college or university with a PATH Intl. Higher Education Membership. Visit [www.pathintl.org](http://www.pathintl.org) to learn more about our current Higher Education Partnerships.
- 3) Attend and successfully complete a PATH Intl. Approved Training Course

## **THE PATH INTL. ON-SITE WORKSHOP AND CERTIFICATION PROCESS**

---

Most commonly, candidates pursue certification through PATH Intl.'s On-Site Workshop and Certification Program. This multi-step educational process is composed of two phases and culminates in a PATH Intl. Certification Event. Completion of all components in both phases helps applicants to prepare for and succeed in achieving PATH Intl. Registered

Instructor Certification. PATH Intl. Individual members are eligible to apply to the PATH Intl. Certified Riding Instructor Program.

## **PHASE I REQUIREMENTS**

---

- Become a PATH Intl. Individual Member
- Be 18 years of age or older
- Submit Instructor Application
- Obtain Adult & Child CPR and First Aid Certifications
- Signed Equine Management Skills Checklist
- Complete Pre-Certification Self-Assessment
- Successfully complete the Standards Course and Exam (in-person or online)
- Successfully complete the online Instructor Self-Study Course and Exam

Once you submit your PATH Intl. Certified Riding Instructor Application you will have ***one year*** to fulfill all of the requirements of Phase I. Once the PATH Intl. office has received documentation of the successful completion of Phase I requirements, the candidate's status will be updated from Phase I to Phase II, also called Instructor in Training (IT). Once a candidate is granted IT status, the PATH Intl. office will issue an IT letter which will be required for final certification. IT letters are valid for ***12 months from the date of issue***. ***Candidates are not eligible for certification without a valid IT letter.***

## PHASE II REQUIREMENTS

- Documentation of a minimum of 25 hours of teaching therapeutic riding to a group (2 or more) under the guidance of a PATH Intl. certified instructor\*
- Accommodation request submitted (if applicable)
- Attend an on-site workshop at a PATH Intl. Premier Accredited Center
- Attend and successfully complete a certification event at a PATH Intl. Premier Accredited Center Member\*\*

Phase II of the PATH Intl. Certified Instructor Program allows candidates to apply the knowledge gained in Phase I to hands-on teaching experiences. Candidates have **12 months** to fulfill all of the requirements of Phase II from the date on their Instructor in Training (IT) letter. Within this year, candidates are expected to complete their 25 hours of supervised teaching, attend a PATH Intl. Registered On-Site Workshop (if the candidate has not already) and test at a certification event.

### \*Documentation of Teaching Hours:

A form for documenting teaching hours is included with this application booklet (page 10). **This form is to be sent to the host site (not PATH Intl.) prior to certification testing along with the rest of the Phase II forms required for certification registration.**

These hours of teaching experience must be acquired under the guidance or direct supervision of a current PATH Intl. Certified Riding Instructor. Hours without a supervising instructor's signature will not be accepted. The candidate may only count mounted teaching hours taught to a group of 2 or more participants.

**As of January 1, 2017:** Candidates must demonstrate to a PATH Intl. certified riding professional that they have practiced emergency response procedures, **including demonstration of an emergency dismount.** If all or part of a candidate's teaching hours took place **BEFORE** January 1, they are not required to supply the updated Documentation of Teaching Hours form. If all of a candidate's teaching hours took place **AFTER** January 1, they **ARE** required to supply the updated Documentation of Teaching Hours form.

If it is an extreme hardship to obtain 25 hours of teaching therapeutic riding to groups of 2 or more riders, please contact the PATH Intl. office for guidance.

Candidates may begin counting hours at any time (either during Phase I or Phase II); they cannot be more than 2 years old at the time the candidate attends their certification testing.

*Please note: It is the candidate's responsibility to ensure they are working with a PATH Intl. Certified Riding Professional **in good standing.** This means that the supervising instructor must be current at the time all 25 hours take place. Candidates may verify current certification through the PATH Intl. office, or by asking to see their supervising instructor's PATH Intl. membership card. If the candidate performs their 25 hours under an expired/non-compliant instructor the hours will not count and the candidate will be assessed a \$150 fee from the PATH Intl. office prior to their official certification results being released. The host site will also be assessed a \$75 fee, which may be transferred to the candidate. The candidate will be required to submit their completed hours within 90 days of notification from the office or their certification results will be null and void and the candidate will be required to begin the process over again.*

### \*\*Certification Eligibility

Candidates must have a valid IT letter to be eligible for certification. IT letters are valid for 12 months from the date of issue. *If a candidate chooses to complete certification without a valid IT letter, the candidate will be assessed a \$150 fee from the PATH Intl. office prior to their official certification results being released. The host site will also be assessed a \$75 fee, which may be transferred to the candidate.*

## **ACCOMMODATIONS**

Requests for an accommodation to any part of the process must be made in writing by the candidate and submitted to the PATH Intl. office. All requests for accommodation must be accompanied by a letter from a physician (with letterhead and physician's handwritten signature) verifying the diagnosis and defining the candidate's limitations to help PATH Intl. determine appropriate, reasonable accommodations on an individual basis.
