PATH International
Driving Certification Subcommittee Charter

Subcommittee Purpose

The Driving Certification Subcommittee upholds and promotes PATH International’s accepted industry standards in all aspects of Driving activities in accordance with the evolution of the EAS industry.

The subcommittee’s primary functions are to:

- Review and update all materials related to the driving workshops and certification processes as needed
- Assess instructor criteria for relevancy and update criteria as necessary for all levels of the driving certification
- Review and propose certification policies and procedures to ensure objectivity, exactness and appropriateness as required
- Consider and approve or deny instructor candidate appeals on a case-by-case basis to uphold fairness of certification evaluations
- Develop training and education for workshop faculty and certification evaluators annually

Subcommittee Regulations

At the beginning of each calendar year, the subcommittee chair and staff liaison discuss the annual objectives for the subcommittee and agree on those assignments and projects that best meet the association’s needs, given its strategic priorities.

Decisions should be made in a democratic manner on the basis of full information and free discussion. The subcommittee chair takes part in the discussion but his/her primary job is facilitating open discussion leading to a conclusion or decision.
