Independent Auditors' Report

To the Board of Trustees
Professional Association of Therapeutic
Horsemanship International
Denver, Colorado

We have audited the accompanying financial statements of Professional Association of Therapeutic Horsemanship International (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditors' Report (continued)

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Professional Association of Therapeutic Horsemanship International as of June 30, 2018 and 2017, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Professional Association of Therapeutic Horsemanship International

Notes to Financial Statements

June 30, 2018 and 2017

Note 1 – Nature of Organization and Significant Accounting Policies

Nature of Operations. Professional Association of Therapeutic Horsemanship International ("the Organization") is a Colorado non-profit corporation established in 1969 whose mission is to promote safety and optimal outcomes in equine-assisted activities and therapies for individuals with special needs. The Organization provides standards, credentialing and education for industry professionals and facilities that work with children and adults who are challenged physically, emotionally or mentally as they strive to achieve health and wellness goals. The Organization's revenues and other support are derived principally from membership dues, conference fees, accreditation and certification fees, education, and charitable contributions from interested parties.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting. The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Net Asset Classification. The Organization has adopted accounting standards which require that the organization distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions. These standards require that resources be classified for reporting purposes into three net asset categories according to externally (donor) imposed restrictions. The three net asset categories are as follows:

Unrestricted net assets. Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets. Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. Once the stipulation is met, the assets are released from restriction and the expenditure is recorded in the activities of unrestricted net assets.

Permanently restricted net assets. Permanently restricted net assets are subject to donor-imposed stipulations that require the donated assets to be maintained in perpetuity. The Organization does not currently have any permanently restricted net assets.

Cash and Cash Equivalents. The Organization considers all highly liquid debt instruments with maturities of three months or less to be cash equivalents. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

Accounts Receivable. Accounts receivable are stated net of allowances for uncollectible accounts. At the time accounts receivable are originated, the Organization considers an allowance for doubtful accounts based on the creditworthiness of the member. The allowance is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future uncollectible amounts. The allowance is management's best estimate of uncollectible amounts and is determined based on historical performance that is tracked by the Organization on an ongoing basis.

Professional Association of Therapeutic Horsemanship International

Notes to Financial Statements

June 30, 2018 and 2017

Note 1 – Nature of Organization and Significant Accounting Policies (continued)

Accounts Receivable (continued). As of June 30, 2018 and 2017, management believes all accounts receivable are fully collectible, and accordingly, no allowance for doubtful accounts has been recorded.

Grants Receivable. Unconditional promises to give are recognized as revenue in the period received. Grants receivable are recorded at the amount the Organization expects to receive, allowing for estimated uncollectible grants. The allowance for uncollectible grants is estimated based on management's review of specific contributions outstanding. As of June 30, 2018 and 2017, management believes all grants receivable are fully collectible, and accordingly, no allowance for doubtful accounts has been recorded. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Inventories. Inventories consisting of association merchandise and equine therapy resource materials are stated at the lower of cost (first-in, first-out method) or market. Donated items, if any, are recorded at fair value at the date of receipt.

Equipment. It is the Organization's policy to capitalize equipment at cost for purchases over \$500, while repair and maintenance items are charged to expense. Donations of equipment are capitalized at their estimated fair value at the date of gift. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Equipment is depreciated using straight-line methods over the estimated useful lives of the assets, which is generally three to seven years for equipment and software and three to five years for furniture and fixtures. Depreciation expense totaled \$7,283 and \$8,636 for the years ended June 30, 2018 and 2017, respectively.

Intangible Assets. Intangible assets consist of trademarks. Indefinite-lived intangible assets are not amortized, but are tested for impairment annually, or more frequently if circumstances indicate potential impairment, through a comparison of fair value to its carrying amount. The trademarks must be renewed and usage confirmed between five and six years after registration, again at nine to ten years, and every ten years thereafter at minimal cost. The costs incurred to renew the trademarks will be expensed as incurred. The Organization also evaluates whether circumstances warrant a revision to the remaining estimated useful life of each intangible asset annually. If the Organization were to determine that a change in the remaining estimated useful life of an intangible asset was necessary, then the remaining carrying amount of the intangible asset would be amortized prospectively over the revised remaining useful life.

Impairment of Long-Lived Assets. In the event that facts and circumstances indicate that equipment, or other assets, may be impaired, an evaluation of recoverability would be performed. If an evaluation is required, the estimated future undiscounted cash flows associated with the asset are compared to the asset's carrying amount to determine if a write-down to market value would be necessary. No impairment losses were recorded during the years ended June 30, 2018 and 2017.

Professional Association of Therapeutic Horsemanship International

Notes to Financial Statements

June 30, 2018 and 2017

Note 1 – Nature of Organization and Significant Accounting Policies (continued)

Refundable Advances. Grant funding received in advance of incurring related expenses are due back to the grantor if funds are not incurred and are considered refundable advances. Revenue is recognized as the related costs are incurred.

Revenue Recognition. Revenues are recorded as the services are rendered. Prepaid amounts are recorded as a deferred revenue liability when payments are received. As the services are rendered, revenue is then recorded. Lifetime membership revenues are recognized ratably over the expected remaining life of the member.

Contributions. Contributions are recognized when the donation is received. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Contributions and grants that are restricted by the donor or grantor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized.

Contributed Services. Contributed services are recognized if services received (a) create or enhance non-financial assets or (b) require specialized skills and are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. There were no contributed services for the years ended June 30, 2018 and 2017.

Income Taxes. The Organization is a nonprofit corporation exempt from income taxes as described in Section 501(c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision for income taxes has been made.

The Organization is subject to unrelated business income tax on its advertising income. As of June 30, 2018, the Organization has incurred a net operating loss carryforward of approximately \$2,200. A deferred tax benefit has not been recorded in the accompanying financial statements as it is not determinable if the Organization will obtain a future benefit from this net operating loss carryforward.

Functional Allocation of Expenses. Direct expenses have been allocated to the applicable program for which the expenses were incurred. Indirect expenses have been allocated between program and supporting services based on an analysis of personnel time and space utilized for the related activities.

Subsequent Events. The Organization evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through November 7, 2018, the date at which the financial statements were available for release.

Professional Association of Therapeutic Horsemanship International

Notes to Financial Statements

June 30, 2018 and 2017

Note 4 – Board-designated Net Assets

The Board of Directors designated \$1,696 of unrestricted net assets for disaster relief at June 30, 2017. These funds were designations imposed internally and are recorded as unrestricted assets. There were no board-designated net assets at June 30, 2018.

Note 5 - Operating Leases

The Organization leases its building under a noncancelable operating lease. The lease requires monthly minimum payments of \$7,006, and expires in April 2022. Rent expense under the lease totaled \$14,013 for the year ended June 30, 2018. Rent expense under a prior lease agreement totaled \$65,382 and \$83,715 for the years ended June 30, 2018 and 2017, respectively.

The Organization leases equipment under multiple noncancelable operating leases, which expire between August 2019 and December 2022. Rent expense, including supplies and maintenance, under the leases totaled \$20,388 and \$22,135 for the years ended June 30, 2018 and 2017, respectively.

Future annual minimum lease payments required under the noncancelable operating leases are as follows at June 30, 2018:

Year ended June 30	Facilities	Equipment	Total
2019	\$ 84,542	\$ 15,120	\$ 99,662
2020	87,345	2,960	90,305
2021	90,147	528	90,675
2022	77,069	264	77,333
	<u>\$ 339,103</u>	<u>\$ 18,872</u>	<u>\$ 357,975</u>

Note 6 – Retirement Plan

The Organization provides for a deferred compensation plan under Internal Revenue Code Section 408(p) which allows an employee to contribute up to \$12,500 of their annual compensation. The Organization provides a matching contribution to the plan of up to 3% of the employee's annual compensation. The Organization contributed \$25,561 and \$21,842 to the plan for the years ended June 30, 2018 and 2017, respectively.

Note 7 – Concentration

Major Grantor. The Organization had a single grantor who comprised 14% of total revenues for the year ended June 30, 2018.
