
PATH International Equine Specialist in Mental Health and Learning Workshop & Skills Test

Presented by Naples Therapeutic Riding Center

PATH International Equine Specialist in Mental Health

PATH International offers the Equine Specialist workshop over three days followed by a one day Horsemanship Skills test.

The objective of the Equine Specialist workshop is for participants to develop an understanding of the importance of a trusting relationship and open communication between professionals.

- Provides specialized training for experienced equestrians, instructors or mental health professionals and educators who are interested in equine-facilitated mental health and education programs.
- Taught by a mental health professional and an equine specialist.
- Focuses on the specific role of the equine handler when assisting or collaborating with the mental health counselor or educator.
- Facilitates the collaboration between the mental health professional and the equine specialist.
