Present at the 2016 PATH Intl. Conference in Historic Williamsburg, VA

Denver— Each year the Professional Association of Therapeutic Horsemanship International (PATH Intl.) Conference and Annual Meeting provides the equine-assisted activities and therapies (EAAT) field the most valuable and comprehensive education opportunities available. A broad spectrum of session content is needed each year to offer a rich and invigorating experience for all attendees.

The 2016 PATH Intl. Conference is November 2-5, 2016, in Williamsburg, VA. **At this time, PATH Intl. is conducting a call for abstracts and posters.** The association is especially interested in receiving abstracts from presenters with information relevant to the field of EAAT. Abstracts describing innovative programs, research or other related information are welcomed. Come present at the 2016 PATH Intl. Conference and share how you, your organization or your research can help improve the EAAT field.

Abstract submission will be handled electronically only:

About PATH Intl.:

The Professional Association of Therapeutic Horsemanship International® (PATH Intl®) was formed in 1969 to promote safety and optimal outcomes in equine-assisted activities and therapies (EAAT) for individuals with special needs. At 866 member centers, nearly 62,000 children and adults, including nearly 4,000 veterans, may find improved health, wellness and a sense of pride, independence and fun through involvement with horses. Therapeutic horsemanship at member centers may include hippotherapy, equine-facilitated mental health, driving, interactive vaulting, trail riding, competition, ground work and stable management. Through a wide variety of educational resources, the association helps individuals start and maintain successful EAAT programs. There are more than 55,000 volunteers, 4,666 instructors,

7,672 equines and thousands of contributors from all over the world helping people at PATH Intl.
