Intent to Host Packet

PATH INTERNATIONAL
Professional Association of Therapeutic Horsemanship International

Ensuring excellence and changing lives through equine-assisted activities and therapies
Dear PATH Intl. Center,

Thank you for your interest in the Professional Association of Therapeutic Horsemanship International (PATH Intl.) Mentor Training Workshop. Following is the information concerning the process and requirements. Please review the information and feel free to call if you have any questions regarding the process.

If you decide that your center or region meets the requirements and would like to host a Mentor Training Workshop, please follow the directions and complete the Intent to Host Form included with this packet. This Intent to Host Form should be returned to the PATH Intl. office for approval to host. Please keep this packet for use throughout your workshop, as this information will be valuable before, during and after the event!

Upon receipt of your Intent to Host Form, you will be sent the second packet of materials and information needed if approved as a host site for the workshop.

GOOD LUCK & THANK YOU FOR HELPING MAKE PATH INTL. STRONG!!!
The Intent to Host Packet includes the following items (enclosed herein):

- Host Site Requirements
- Budget Information
- Intent to Host Form

If your PATH Intl. center decides to host a Mentor Training Workshop the contact person must complete and return the Intent to Host Form to PATH Intl. Upon receipt of the Intent to Host Form and approval, PATH Intl. sends a Host Site Confirmation and Forms Packet to the Host Site, including the following items:

- Host Site Confirmation
- Materials Order Form (to be submitted to the PATH Intl. office 1 month prior to the start of the workshop)
- Recommended Policies for use by the Host Site
- Proposed Workshop Schedule

By the established deadline date on the Materials Order Form, the Host Site completes the Materials Order Form and submits it to PATH Intl. with the appropriate fees. If the Materials Order Form is returned after the deadline a late fee and express shipping costs will be assessed. Upon receipt of the Materials Order Form PATH Intl. sends the Host Site Final Forms Packet and workshop manuals. The Host Site Final Forms Packet includes:

- Workshop Evaluation Form*
- Workshop Site Evaluation Form*
- Mentor Code of Ethics Form* (must be signed by attendees in order for them to be on the official PATH Intl. Mentor List)
- Associate Faculty Evaluation & Recommendation Forms (Lead faculty must complete)
- Final Accounting Statement (must be sent into the PATH Intl. office within two weeks following conclusion of workshop or a late fee of $40 will apply.)

At the conclusion of the Workshop, the Host Site returns unused manuals and completes the Final Accounting Statement and submits it with the amount due.

*One original form is included in the packet. Copies to be made by Host Site as needed
Pre-Workshop

The Host Site:

1. Determines if all requirements are met to host a PATH Intl. Mentor Training Workshop. Review Host Site Requirements.

2. Contracts with two PATH Intl. Mentor Training Faculty to conduct the workshop. At least one of the faculty must have Lead status (options are two Lead or one Lead and one Associate)—see enclosed list. Contract will include fees to be paid to PATH Intl. prior to workshop and expenses (i.e. transportation, meals, accommodations, and parking) to be paid directly to Faculty at the conclusion of the workshop. Faculty have the contract forms to be completed.

   NOTE: Upon approval from PATH Intl., you may contract with just one Lead faculty. Be aware that all Lead faculty members are willing to facilitate the workshop solo, so you MUST verify they are ok being solo before contacting PATH Intl. for approval. Contracting with only one faculty member may also extend the amount of time needed to conduct the workshop.

3. Pays faculty fees of $250 per day for both lead and associate or a total of $500 each for a 2 day workshop. Faculty are to complete a signed contract with the host site to cover meals, travel, lodging, etc.

4. Completes Intent to Host Form and return it to the PATH Intl. Office. Upon receipt of Intent to Host Form, PATH Intl. sends to the center the Host Site Confirmation and Forms Packet.

5. Assesses budgetary requirements and determines Workshop fees. Review Budget Recommendations. Options include the cost of lodging and meals within workshop fee or separately by participants.

6. Is responsible for advertising and marketing the PATH Intl. Mentor Training Workshop. Any administrative or schedule details from the Host Site should also be included. It is not appropriate to use the word therapy in your advertising.

7. Works with contracted Faculty to make sure all necessary requirements are in place to ensure a smooth running Workshop process. Review Host Site Requirements.

8. Registers Workshop Participants (maximum number dependent on class room space available.)

9. All PATH Intl. current instructor members are eligible to participate in Mentor Training Workshops. Current instructors will be listed on the PATH Intl. website.

10. All registered participants submitted by the Host Site will be enrolled in the online Standards Course and the online Registered Instructor Self-Study, the two prerequisites for workshop attendees. Attendees should bring a copy of the on-line Instructor Self-study and the booklet/criteria for the certification and/or specialty certification in which a PATH Intl. Instructor Certification is held.

11. If a Host Site allows participants to enroll after the Material Forms deadline, PATH Intl. must be notified of the added participants. Late fee charges and express shipping costs may be assessed.

12. Note for Regions: Since PATH Intl. has direct visibility to registrants enrolling in a Mentoring Workshop affiliated with a PATH Intl. Region Conference through online registration, registrants will be added to the online courses on a weekly basis.
13. Ensures that all paperwork is completely filled out for all Workshop attendees.

14. Completes the *Materials Order Form* for the Workshop Manuals by deadline date provided by PATH Intl. which is 1 month prior to the Mentoring Workshop. Includes a check with the Materials Order Form for materials and Faculty fees. These fees are due to PATH Intl. before materials can be sent.

15. Notifies the PATH Intl. office of late registrants not included on Materials Order Form prior to the Workshop.

**Advertising:**
When preparing marketing materials for your region conference or center workshop brochure to advertise your workshop please be sure to note that on-line registration for both the online Standards Course and Self Study courses are included in the registration fees. Feel free to use copy from the suggestions below:

The purpose of this PATH Intl. workshop is to increase the professionalism and knowledge within our industry. Be a mentor! The mentor/mentee partnership is an agreement between two people who share experiences and expertise to help with personal and professional growth. This interactive training provides PATH Intl. Certified Instructors with and overview of the role of the mentor within the EAAT industry and the necessary skills and tools to apply this knowledge to mentor other instructor candidates and/or create a mentoring program.

Once registered you are required to complete the PATH Intl. Standards Course and Registered Instructor Self-Study. Participation in these courses is included in your registration fee. If you are a PATH Intl. instructor, you are also required to bring a hard copy of the on-line self-study and the booklet/criteria for the certification and/or specialty certification in which you hold PATH Intl. Instructor Certification.

This workshop includes 12 hours of class room educational content and 8 hours of on-line educational content, which apply towards annual continuing education hours for compliance as a PATH Intl. Certified Instructor.

**PATH Intl. Mentoring an Overview**
With the development of new certifications in various disciplines and the evolution of PATH Intl.'s certification processes, the value of quality mentorship is instrumental to the success of instructor candidates completing any level or discipline of certification.

PATH Intl. Certified Instructors who mentor are a very important part of the success of the candidates and the certification programs, enhancing the professionalism of the industry. The percentage of candidates who have successfully passed the registered level riding certification has improved over the past several years due to improved educational tools. PATH Intl. is investing in building consistent mentor skills and providing tools to mentors for continued success.
A mentoring skill development program has been created in response to the need for a more formalized education process to enhance the skills of those mentoring. The objective is to increase the number of qualified mentors available to instructors in training. Another added benefit is providing current PATH Intl. Certified Instructors with a continuing education opportunity while enhancing personal observation, evaluation and feedback skills.

PATH Intl. has developed a plan making it possible to offer PATH Intl. Mentor Training Workshops to PATH Intl. members including current instructors. The objectives of the workshop are to enhance and build the observation, evaluation and feedback skills through group activities and to give the mentor tools that will help individual mentors and centers in setting up a mentoring program, including enhancing communication skills to build a trusting and collegial relationship between the mentor and mentee.

Requirements for becoming a PATH Intl. Mentor:
a. Be a current PATH Intl. member and hold current PATH Intl. instructor certification (Registered, Advanced, Master, Driving, Vaulting, etc.) for the certification program you intend to mentor in.
b. Successful completion of a PATH Intl. Mentor Training
c. Annually signed PATH Intl. Mentor Code of Ethics (to be sent out electronically in January each year)
d. Attend one PATH Intl. Instructor Workshop/Certification (discipline/level specific)
e. Access to e-mail for online communication
f. Submit a professional reference from within the EAAT industry

Please note, that following completion of the workshop, you must contact PATH Intl. to receive and submit a Mentor Bio form in order to be added to the list of mentors on the PATH Intl. website.

Effective February 1, 2017: all new PATH Intl. certification candidates are required to complete the Standards course and exam either online or in person. Therefore, as part of the prerequisites for Mentor Training, all participants will also be required to have completed the Standards course and exam within one year prior to attending the workshop.

During the Workshop

The Host Site:
1. Ensures all requirements are in place.
2. Ensures that disruptions do not interfere with the workshop.
3. Upholds the privacy and confidentiality of all workshop participants.
4. Upholds the PATH Intl. Standards for Centers.
2. Completes a Final Accounting Statement Form to return to PATH Intl. along with any unused manuals. This package must be sent to the office within two weeks following the conclusion of the workshop or a late fee of $40 will apply. A review of fees due to PATH Intl. are as follows:

Due to PATH Intl. before Mentor Training Workshop: (Materials Order Form)
- Faculty’s Fees $250.00 per Faculty/per day or $500 per faculty for 2day workshop
- Workshop Participant Fee $100.00 per registrant (Includes workshop manual and on-line registration for both Standards Course and Instructor Self Study)

Any shortage in materials must be paid for by the Host Site.

Insurance Note

Markel has agreed to count this entire Workshop as one Event Day, rather than 2 days. If you have already used your one public event day, please contact Markel as fees will vary.

1. Works with the Faculty to make sure all Workshop materials are collected, including all signed Code of Ethics Forms and Evaluation Forms. It is the responsibility of the Host Site to mail all evaluation materials to the PATH Intl. office.
2. Completes a Final Accounting Statement Form to return to PATH Intl. along with any unused manuals. This package must be sent to the office within two weeks following the conclusion of the workshop or a late fee of $40 will apply. A review of fees due to PATH Intl. are as follows:

Budget Information

The following information is provided to help Host Sites determine expenses and fees:

1. Faculty/Evaluators. (For an updated Faculty/Evaluator list please contact the PATH Intl. office.)
   - The fee for Faculty is $250.00 per faculty per day or $500 for a 2 day workshop to be paid with Materials Order Form. This fee must go through the PATH Intl. office due to the fact that PATH Intl. pays for Professional Liability Insurance for the Faculty.
   - The Host Site is responsible for all transportation, lodging, and food expenses for Faculty/Evaluators (in addition to faculty fee.)

2. Fees to PATH Intl.
   - Host Site pays PATH Intl. $100.00 per Workshop Participant (includes manual and online Standards and Self Study registration) to be paid with Materials Order Form.
   - Total Evaluator fees (NOT faculty expenses that have been contractually agreed to)
   - Late and/or damage fees

3. Participant Expenses
   - Host Site must determine if the fee to Participants will cover lodging and food or if Participants must cover those expenses independently. This decision will depend on Host Site’s resources (for example: a residential facility may choose to include those services.)

4. Miscellaneous Expenses (may or may not apply)
   - Advertising
   - Postage
   - Copies
   - Telephone
   - Additional Insurance (Host Site must check with their insurance coverage to determine if extra insurance is needed.)
   - Materials Order Form Late Fee
   - Workshop Manual Restocking Fee & Damage Fee

An example budget based on 30 workshop Participants (This is only a sample, each Host Site’s circumstances are different.) Some Host Sites may choose to have the entire Mentor Training underwritten through donations or sponsorships, some regions may also decide to cover some of the costs for their region membership by charging less. However, the value of the event needs to be clear for all participants. In this example the workshop is priced at $250.
